

## **Where: Mystery Babylon**

Could the U.S. be Mystery Babylon?

A. What is Mystery Babylon?

Revelation 17:1-2 tells us, "Then one of the seven angels who had the seven bowls came and talked with me, saying to me, 'Come, I will show you the judgment of the great harlot who sits on many waters, with whom the kings of the earth committed fornication (**Bohemian Grove**), and the inhabitants of the earth were made drunk with the wine of her fornication.'" Revelation 17:5 goes on to say, "And on her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH." Who is this "whore of Babylon" and what is "mystery Babylon"?

B. Revelation 18:23: And the light of a lamp will never shine in you again! And the sound of a bridegroom and bride will never be heard in you again! For your merchants were the most important people of the earth, because with your sorcery they deceived all the nations.

God is judging the use of sorcery in Chapter 9 to get the church to repent:

D. Why would the leaders of the U.S. want to take it down? Answer: by design.

Conclusion: America is the center of evil, by design.

Has medicine become an idol in the U.S.?

Pfizer's defense was that the government knew there were no clinical trials so they could not defraud the government, and the government reinforced that defense. Pfizer produced an Other Transaction Authority (OTA) contract in its defense. This means the Department of

Defense (DOD) was paying for the manufacture of a large-scale prototype, eliminating public protections and creating no accountability by Pfizer. Pfizer was given authority to create a prototype, not a vaccine, as a countermeasure/bioweapon under a military contract.

Conclusion: Medicine is an idol on the tree of knowledge Satanic dialectic. The white coats have been programmed and we've been programmed to obey the white coats. The idol which we thought was to help us, was designed to kill us. The love of money facilitates all sorts of evil.

Reality: Puts the focus on pointing figures instead of looking at what we are doing (Obamacare section 1553); our Joint Commission does nothing; Hawaii governor passed law allowing nurses to prescribe assisted suicide drugs.

Conclusion: By design, critical thinking has been trained out of the public fool system.

Propaganda fills the void and is used to influence our thinking 24/7. Without God, we are literally blind to the Truth.
