

Medical Murder is the #1 Cause of Death in the U.S. – By Design

(People Are Too Expensive – Satan’s Big Lie)

Historical facts – pre-COVID:

Annual deaths: 700K heart disease; 600K cancer; 400K medical “malpractice” (3rd leading cause of death)

<https://www.statnews.com/2021/08/04/medical-errors-accidents-ongoing-preventable-health-threat/#:~:text=Injury%20or%20illness%20caused%20by,under%20wraps%20%E2%80%94%20and%20they%20are.>

Hospital mortality decreases when doctors go on strike?

Current facts – COVID Era and post COVID:

All cause mortality increase of 24% in vaccinated

All cause mortality increase since January 2020 – weekly graph

Two-year reduction in life expectancy

<https://www.pbs.org/newshour/health/covid-helped-cause-the-biggest-drop-in-u-s-life-expectancy-since-wwii>

Increase in deaths 2020 – 2022 = 1,560,000 (1.2M from hospitals – see slide 5 of ‘How to be 100% Prepared’ below):

<https://www.statista.com/statistics/195920/number-of-deaths-in-the-united-states-since-1990/>

Conclusion – at current average rate of increase, 8%, that’s an ongoing increase of 228,000 deaths annually as a result of COVID PSYOP.

- A. Medicare/Medicaid costs set up the collectivism lie - “The financial projections in this report indicate a need for **substantial** changes to address Medicare’s financial challenges.”
<https://www.cms.gov/files/document/2021-medicare-trustees-report.pdf> (page 11).

In Nazi Germany, one of the main reasons Hitler was able to implement his agenda was the cost of reparations from WWI. Before COVID, 39% of the federal budget is for direct expenses related to the elderly and disabled – there are more than 62,000,000 Americans on Medicaid and Medicare. Today, more than 100,000,000 due to relaxed rules (on purpose) during COVID.

https://www.theepochtimes.com/audio/100-million-americans-to-be-on-medicaid-by-march-think-tank-projects_4961261.html.

Think this through: Medicare/Medicaid is the ultimate bait and switch – we payroll deduct so we have “free health care” when we retire; remember, we paid for this ‘privilege’ our entire working life, but it is wrapped up in bow looking like our government is taking care of the elderly and the disabled. Then, they program us to bow down to the doctor and they license the doctor, so he won’t be paid unless he follows CMS Standards of Care designed to hasten our deaths. CMS says 135M on program (over 50% of the Federal budget spend on this bureaucracy):
<https://www.cms.gov/newsroom/news-alert/cms-releases-latest-enrollment-figures-medicare-medicaid-and-childrens-health-insurance-program-chip>

Of all Medicare beneficiaries who died in 2014, 46 percent used hospice—a rate that has more than doubled since 2000 (21 percent). About eight of 10 of the 2.6 million people who died in the US in 2014 were people on Medicare, making Medicare the largest insurer of health care provided during the last year of life.

BOHICA – time to wake up.

<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/Who/BOHICA>

State Legislation/Judicial:

- A. State legislators - lack of Informed Consent is the cause of medical murder; Note there are no consequences for not providing informed consent in the statute. The "enforcement" is by the Medical Examining Board, which is 13 members, 10 of which are physicians – think about this...the serial killers appoint their own as judge and jury! This statute, combined with the tort liability limit statute, create a 'walled garden' around the doctors when they make a mistake, regardless of the cause.

- G. Our Constitution

Bigger picture, Wisconsin State Constitution: "Equality; inherent rights. SECTION 1. [As amended Nov. 1982 and April 1986] All people are born equally free and independent, and have certain inherent rights; among these are life, liberty and the pursuit of happiness; to secure these rights, governments are instituted, deriving their just powers from the consent of the governed." SECTION 12. "No bill of attainder, ex post facto law, nor any law impairing the obligation of contracts, shall ever be passed..." When you look up the word 'ex post facto' it is defined as follows: "**Ex post facto refers to a law that retroactively changes the legal consequences of actions or relationships that existed before the enactment of the law.**" We have a right to life and the state cannot take it away through legislative actions.

Most laws take away rights. All of these are illegal. You can't pass a law 'after the fact.' In general, most people follow the 'grandfathered' idea. You put in wiring in your home under a code from 1960. A new code is passed in 1990. You don't have to pull out the wiring to make your house up to code – it would be illegal if a law did that. In the big picture, we have the right to life. All laws taking away from that right are illegal under the same rule of law.

Conclusion: Legislation has become another satanic dialectic to trick us to thinking we can use man's ways to fix things. We cannot contract morality. We have a God problem, not a legal problem. Article 1 section 12 of our State constitution says no ex post facto law can be passed. No statute can be made over the contract the legislators swore to abide by. So, the legislature cannot write a law allowing immunity for doctors from harming the people or taking the rights of the people out of their hands by writing procedures or immunities to protect the medical community from being held accountable. An ex post facto law is null and void and as if it doesn't even exist, so their statutes are illegal, and they are not to be written to block or hinder the people but rather further limit public servants from encroaching on the people on their already established guaranteed rights. A statute without consent is not law.

This system cannot protect the American people and wasn't designed to do so! Consider this reality: NO CONSEQUENCE TO PHYSICIANS, BUT SHARED LIABILITY TO THE PEOPLE THEY "SERVE": Ascension hospital May 15 response...Affirmative Defense #6: "Any and all injuries or

damages sustained by Plaintiffs may be a direct and proximate result of the negligence and/or decisions made by Plaintiffs." [You can't make this up.] Unique to medical establishment getting a legislative pass? No. If you are stupid enough to not wear a helmet, you have no responsibility. If you are a big corporate player, you receive legislative favor (Harley Davidson is headquartered in Wisconsin): [Wisconsin Legislature: 895.049](#).

Big Business:

A. Historical perspective:

"Some even believe we (the Rockefeller family) are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure - one world, if you will. If that's the charge, I stand guilty, and I am proud of it." David Rockefeller

"I don't want a nation of thinkers, I want a nation of workers." John D. Rockefeller

"The way to make money is to buy when blood is running in the streets." John D. Rockefeller

B. COVID exposed the agenda to have big corporations do the government's bidding (Catherine Austin Fitts explains):

<https://www.youtube.com/watch?v=iK5V89fU61Y&t=1593s&pp=2AG5DJACAQ%3D%3D>

C. Life insurance companies? How can life insurance companies survive with all-cause mortality increases never seen before? Wouldn't they have to increase rates for those who got the jab?

D. The NFL? Why did they cover up Damar Hamlin injury? Over 2000 covered up injuries, so far, in the organization, per insider zoom conference on February 6, 2023. Why has the roster increased in last three years?

<https://www.profootballarchives.com/nflrosterlimits.html>

Conclusion: Our government can't directly control us, because of our constitution, so uses big businesses. Would Target and Anheuser-Busch make such stupid marketing blunders if we really had a free market?

Churches:

A. FEMA training for pastors

<https://johnmacarthur.forumchitchat.com/post/fema-recruiting-pastors-to-prepare-for-martial-law-11112909>

<https://www.organicconsumers.org/news/secret-fema-plan-use-pastors-pacifiers-preparation-martial-law>

B. Churches closed doors and received PPP grants

<https://ministrywatch.com/churches-and-religious-non-profits-received-6-10-billion-in-covid-relief-funds/>

C. Participation in dialectics changing the focus from the Truth and The Great Commission – the rapture; obeying government; unity principle as most important

Conclusion: Separation of church and state, along with Christian seminary funding by the Rockefellers has changed the landscape in recognizing and fighting spiritual warfare. When pastors water down the truth of Romans 13 and 14, the people don't see the need for repentance and become sheep being led to slaughter.

Controlled Opposition?:

- A. Former Pfizer VP, Dr. Michael Yeadon – calls out the murders but keeps the vaccine narrative going

- B. Rand Paul: "I do think it came from a lab; I think it was in all likelihood an accident because obviously if the scientist got infected, they wouldn't have wanted to be infected," Senator Paul told Sky News host Sharri Markson. "It's an example of how we need safer conditions but also more scrutiny of this, the fact that they never published it, yeah it could be the smoking gun."
<https://www.youtube.com/watch?v=3VuPCNjLEp4>
- C. Dr. David Martin – big pharma can continue if they assume 100% product liability; they are already in bed with the only one who can play sheriff; we cannot legislate morality
<https://forbiddenknowledgetv.net/dr-david-martin-to-eu-parliament-corona-virus-is-a-bioweapon-greatest-crime-against-humanity-in-world-history/>
- D. Dr. Peter McCullough – why is he still calling this bioweapon a vaccine?
<https://rumble.com/v2q0tqc-dr-peter-mccullough-talks-about-spike-proteins-and-the-spike-support-formul.html>
- E. Attorney Tom Renz calling for congressional investigation. Congress passed the legislation to cause this. Think about what happened on 11/14/86 The National Childhood Vaccine Injury Act (NCVIA) of 1986
<https://www.naturalnews.com/2023-05-23-renz-calls-investigation-hospital-murders-covid-pandemic.html>

Conclusion: The apparent controlled opposition seems to be setting up an amnesty play, keeping us focused on the COVID PSYOP while even worse evil is being unrolled without the same exposure.
