

## **Why: The Esoteric Spiritual Battle**

### The Spiritual Battle in Words, Audio, and Visual

- A. Satan is against/hates God, so the battle is for souls – physically (death) and spiritually (believing in man vs. God)  
Ephesians 6:12: For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.  
Derek Prince explains: <https://youtu.be/FmxDAf9OwXk>

Desiring to be part of the evil vs. less evil esoteric dialectic becomes part of our sin nature – we can do anything we want to do and we can be like God

Conclusion: Satan lied – he could never be good; the trap has been set to wipe out God’s creation. Satan’s dual nature has a foothold – evil vs. less evil esoteric and exoteric dialectics become his tool to rule the Earth. Satan is the prince of this world, and our sin nature desires what he offers.

### The anti-Christ First Beast System (the evil side) – physical destruction

- A. Big Lie #1 - People worship (we are our own god)  
We foolishly believe a better president will fix things – the lessor of two evils (evil Democrats and less evil Republicans – an exoteric dialectic)  
Transhumanism is the pinnacle (we can live forever, like God) – has happened before in Noah’s time; the nephilim corrupted God’s seed, just like Transhumanism is doing today

Fooled: People are too expensive

- B. Big Lie #2 - Planet worship is the source of all kinds of lies leading to physical death of man as an excuse to save the planet  
1967 depopulation slide (review from ‘What’)  
There’s not enough resources  
1968 -69 Weekly Reader – electric can opener; 2 children (expanded note below)  
Andy Griffith, Green Acres, Leave it to Beaver – how many children? Why is the only person married, on Andy Griffith, the town drunk?  
<https://www.youtube.com/watch?v=cFNNH3wCpEU>  
Small rabbit trail – did the innocent Weekly Reader really become a programming arm of the government? 1968 programming when I was in kindergarten – irresponsible to have more than two children due to overpopulation and irresponsible to have an electric can opener due to limited resources (selling the population reduction and climate control agendas to kindergarteners)

The truth about carbon in the atmosphere

- C. The race to expose evil – the continual focus on the Covid narrative is an exoteric dialectic disguising the esoteric agenda – reminder: Covid was a success, exoterically and esoterically, from the perspective of the Satanic agenda

JFK Murder exposed evil – the Oliver Stone documentary; what was the real purpose?

To hide the evil behind the evil government, so the deception could continue.

“We have a corrupt government – let's fix it!” No, it was by design!

Same playbook with Covid – “Let's not let that mistake happen again!”

Examples from past two weeks:

Whitehouse knew of myocarditis in May 2021 – no kidding; where's the news in this fact?

Air Vax: <https://needtoknow.news/2023/10/air-vax-the-latest-mrna-delivered-into-lungs/>

mRNA in Breastmilk: <https://www.wionews.com/science/study-find-mrna-from-covid-vaccines-in-milk-of-breastfeeding-mothers-640553>

Assuming you can hold the globalists to account (which takes more faith than believing in Jesus), it will take too long because of the anti-Christ legal system they set up

Are we really that narrowly focused (blind)? Yes, without God

Conclusion: Deception facilitates the physical destruction of man. Exposing this evil side sets up the “light” – the false light, while we are all focused on the evil, less evil is working just as hard to deceive us. Satan needs the evil side exposed in order to snap the last side of the control grid into place.

The false prophet Second Beast system (the less evil side) – spiritual destruction

- A. The Great Deception?

2 Thessalonians 2:9-12: The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness. [Paul writing to Christians]

- B. The angel of light

<https://ouramazinggrace.net/Medical%20Murder/Assets/Research/Why/Angel%20of%20Light>

2 Corinthians 11:14-15: And no wonder, for Satan himself masquerades as an angel of light. It is not surprising, then, if his servants also masquerade as servants of righteousness. Their end will be what their actions deserve.

<https://probablyalexandra.substack.com/p/the-speaker-shuffle-mccarthys-removal>

- C. Will Covid amnesty be a tool to fool?

Other tools: The 'mark' offered by the second beast system may include: gold backed system; debt jubilee; prosperity funds; stopping child trafficking; military tribunals; replacing the Cabal propaganda – expect the false prophet system to look very appealing, but absent of God...

Conclusion: The desire to have the evil end, and our propensity to be trapped by the security and comfort idol, snaps the final piece of the control grid into place.

Don't be deceived

- A. Satan's use of the Hegelian Dialectic  
problem = evil; reaction = fear; solution = angel of light  
<https://wisconsinchristiannews.com/view.php?sid=9600>
- B. Visual of the choices Satan has left us with – what's missing? How we got here – rejection of God! (See PP slide)
- C. My focus is on repentance and getting right with God because time is short - God's judgment is overdue. I can't tell you if I'm right or wrong. I know this message was put on my heart by God. Where are we on God's timeline? No one knows other than the Father. We can know that where we are at, with all the evil we are experiencing, didn't happen overnight. Pastor Matt Trehwella, the author of 'The Doctrine of the Lesser Magistrates,' explains, "the more insane the rebellion, the more insane the consequences." We have rebelled against God, slowly at first and rapidly today, and are experiencing severe consequences. What's God's purpose in this law? To bring us to repentance. If we repent, He will save us. If we don't, He will destroy us.

Conclusion: There's been an orchestrated convergence, giving an illusion of choice, but instead trapping its slaves to depend on the government for everything. We're being played: "US in shock trying to figure out what happened while satanic agenda continues!" There's never been a more urgent time to submit to the real King. He is the only one who can protect us.
