The Spiritual Battle in Words, Audio, and Visual

The First Recorded Sin of Man – to be Like God

Ephesians 6:12

FOR WE DO NOT WRESTLE AGAINST FLESH AND BLOOD, BUT AGAINST THE RULERS, AGAINST THE AUTHORITIES, AGAINST THE COSMIC POWERS OVER THIS PRESENT DARKNESS, AGAINST THE SPIRITUAL FORCES OF EVIL IN THE HEAVENLY PLACES

Satan hates God, so the battle is over souls, physically (death) and spiritually (believing in man vs. God)

What Does Each Side Offer?

Satan

Tree of Knowledge of:

God

Tree of Life

Evil

Good Less Evil

Conclusion: Satan lied – he could never be good; the trap has been set to wipe out God's creation. Satan's dual nature has a foothold – evil vs. less evil esoteric and exoteric dialectics become his tool to rule the Earth. Satan is the prince of this world, and our sin nature desires what he offers.

The anti-Christ First Beast System:
the evil side – physical destruction

Big Lie #1 - People worship (we are our own god)

We foolishly believe a better president will fix things - the lesser of two evils...evil Democrats and less evil Republicans - an exoteric dialectic

Transhumanism is the pinnacle of people worship – “we can live forever, like God”

The nephilim corrupted God's seed, just like Transhumanism is doing today

<https://endtimebibleprophecyblog.wordpress.com/2015/04/19/satans-attempt-to-corrupt-mans-dna/>

Satan's Attempt to Corrupt Man's DNA

Satan wants to corrupt God's creation, not just morally, that is easy to do. He wants to corrupt God's creation physically. We are all created in God's image

So God created man in his *own* image, in the image of God created he him; male and female created he them. Genesis 1:27

Satan hates this and he and his followers, the fallen angels (demons) have tried to do everything to change this. Before the great flood the fallen angels slept with human women to corrupt their bloodline. This was the beginning of the nephilim.

That the sons of God saw the daughters of men that they *were* fair; and they took them wives of all which they chose. Genesis 6:2

There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which were of old, men of renown. Genesis 6:4

The fallen angels and nephilim not only slept with humans but with other species, corrupting the whole earth. God saw the corruption and knew that the only way to get rid of it was to destroy the earth and everything on it.

Part VI

Department of Health and Human Services

Food and Drug Administration

21 CFR Part 630

Additional Standards for Viral Vaccines;
Poliovirus Vaccine, Live, Oral; Final Rule

FDA believes that delaying the change made by the amendment to § 630.11 would be contrary to the public interest. As discussed above, questions have been raised in litigation about whether the vaccine used in the clinical trials conducted in 1962 for the approval of the sole license for oral poliovirus vaccine met all of the technical requirements in § 630.11. FDA believes it is in the interest of the public health to make the amendment effective as soon as possible to make certain that questions concerning whether the vaccine lots used in the original clinical trials technically conformed with the requirements of the additional standards in 21 CFR 630.10 to 630.17 do not cast doubt on the safety of the vaccine and

jeopardy, any possible doubts, whether or not well founded, about the safety of the vaccine cannot be allowed to exist in view of the need to assure that the vaccine will continue to be used to the maximum extent consistent with the nation's public health objectives.

Accordingly, because of the importance of the vaccine and of maintaining public confidence in the immunization program that depends on it, good cause exists to issue these amendments as a final rule effective immediately. The fact that the amendment relieves a restriction also justifies making the rule effective immediately.

Parents Are Teachers

By David R. Wittmer, Staff Writer, Professional Materials

We are all aware of the importance of the parent during the first five years of a child's life. This awareness has reached such great proportions that the Federal Government has allocated funds to support many school programs supplementing the parental role.

Parents play an important role in the child's early language and social development, as well as in the development of attitudes. Self-concept, emotional adjustment, and peer relationships are influenced by parents, consciously or unconsciously.

The Role of the Parent

feel that the need can be satisfied by making parents more aware of their vital roles as teachers in their child's formative preschool years. Parents need help in fulfilling these responsibilities.

The Role of the School

The school is the most logical place to acquaint the parent with these responsibilities. Both materials and personnel should be made readily available to guide parents. Parent-teacher groups can be of great assistance.

The school should acquaint parents with the basics vital to early child development. Par-

How Safe Is Our Drinking Water?

Fighting Dirty Water

Fighting water pollution in our nation's 240,000 water systems is not an easy task for EPA officials. To ensure safer drinking water, the EPA has enlisted the help of local water officials. The local officials—under the threat of a stiff fine—must report any pollution problems to the EPA.

What Can U.S. Do To Help Feed World's Hungry?

Why So Much Hunger?

Why is there so much hunger in the world? Experts say it's because growing populations are eating up food faster than the world's farmers can produce it.

Other public officials have suggested that Americans give up one hamburger a week. Beef cattle eat huge amounts of grain. If the U.S. raised less beef, there would be more grain available to ship abroad.

A science teacher explains: What if there was no carbon dioxide in the air?

As a life force behind photosynthesis, lack of this gas would create a domino effect with the food chain - no living plants and animals would mean no living humans.

The race to expose evil

JFK Murder exposed evil – the Oliver Stone documentary; what was the real purpose?

- To hide the evil behind the evil government, so the deception could continue.
- “We have a corrupt government – let’s fix it!” No, it was by design!
- Same playbook with Covid – “Let’s not let that mistake happen again!” – on steroids...

The continual focus on the Covid narrative is an exoteric dialectic disguising the esoteric agenda – reminder: *Covid was a success, exoterically and esoterically, from the perspective of the Satanic agenda*

Examples from past two weeks:

- Whitehouse knew of myocarditis in May 2021 – no kidding; where's the news in this fact?
- Air Vax
- mRNA in Breastmilk

Assuming you can hold the globalists to account (which takes more faith than believing in Jesus), it will take too long because of the anti-Christ legal system they set up

Are we really that narrowly focused (blind)? Yes, without God

Conclusion: Deception facilitates physical destruction of man. Exposing this evil side sets up the “light” – the false light, while we are all focused on the evil, less evil is working just as hard to deceive us. Satan needs the evil side exposed in order to snap the last side of the control grid into place.

(the less evil side) –
spiritual destruction

The Great Deception?

2 Thessalonians 2:9-12: The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness. [Paul writing to Christians]

The angel of light

2 Corinthians 11:14-15: And no wonder, for Satan himself masquerades as an angel of light. It is not surprising, then, if his servants also masquerade as servants of righteousness. Their end will be what their actions deserve.

Matthew 24:24:
For false messiahs and false
prophets will appear and perform
great signs and wonders to
deceive, if possible, even the elect.

Should we expect Satan to come as an angel of light?

Daniel 8:23-25

²³ And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

²⁴ And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and **shall destroy the mighty and the holy people.**

²⁵ And through his policy also he shall cause craft to prosper in his hand; and he shall magnify *himself* in his heart, **and by peace shall destroy many:** he shall also stand up against the Prince of princes; but he shall be broken without hand.

What about the people's response to this false light?

Genesis 25:29-34 - Esau sold his birth right for food – **projected food shortages**

1 Samuel 8 - People wanted a king to fight their battles, rejecting God – **less accountability with a king**

Will Covid amnesty be a tool to fool?

The 'mark' offered by the second beast system may include: gold backed system; debt jubilee; prosperity funds; stopping child trafficking; military tribunals; replacing the Cabal propaganda – expect the false prophet system to look very appealing, but absent of God...

Conclusion: The desire to have the evil end, and our propensity to be trapped by the security and comfort idol, snaps the final piece of the control grid into place.

Q: What's missing?

A: Repentance

Final thoughts...

My focus is on repentance and getting right with God because time is short - God's judgment is overdue. I can't tell you if I'm right or wrong. I know this message was put on my heart by God.

Pastor Matt Trewella, the author of 'The Doctrine of the Lesser Magistrates,' explains, "the more insane the rebellion, the more insane the consequences."

Where are we on God's timeline? No one knows other than the Father. We can know that where we are at, with all the evil we are experiencing, didn't happen overnight.

We have rebelled against God, slowly at first and rapidly today, and are experiencing severe consequences. What's God's purpose in this law? To bring us to repentance. If we repent, He will save us. If we don't, He will destroy us.

Conclusion: There's been an orchestrated convergence, giving an illusion of choice, but instead trapping its slaves to depend on the government for everything. We're being played: "US in shock trying to figure out what happened while satanic agenda continues!" There's never been a more urgent time to submit to the real King. He is the only one who can protect us.
